

Children First.

Through our collective brand efforts across FCTG The Americas, along with the after-school support programs and safe environments offered by Boys and Girls Clubs, we were able to provide club access giving

4,000

KIDS A BETTER CHANCE AT LIFE

+

Boys & Girls Clubs of Canada
Repaires jeunesse du Canada

After school is a time when juvenile crime escalates and kids so often lose their way. This leads to staggeringly poor graduation statistics and reinforces the cycle of poverty. It is a time when support is needed the most. Not just for children, but for their parents peace of mind as well.
